Claims 9, 12, 14, 21 and 22 are allowed due to their dependency on allowed claim 8.

For independent claim 15 the prior art of record does not disclose or clearly suggest a vial having a cylinder and a second material molded around and onto the outer surface of the cylinder to form an overmolded body in combination with the remaining limitations of the claim.

Claims 16, 17, 19, 20 and 23-25 are allowed due to their dependency on allowed claim 15.

For independent claim 26 the prior art of record does not disclose or clearly suggest a vial having a molded body having a sidewall, defining a cavity, and a second material molded around and onto the outer surface of the body to reinforce the sidewall in combination with the remaining limitations of the claim.

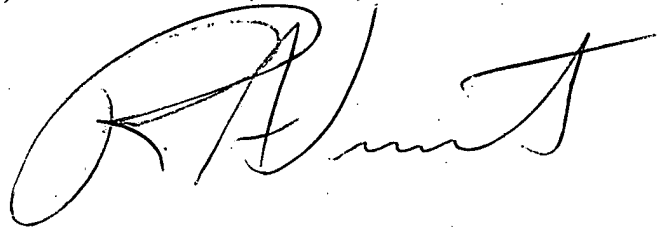

Claims 27-29 are allowed due to their dependency on allowed claim 26.
